EXCEPTIONAL QUALITY

WARRANTY The Plastimayd (non-transferable) pro-rated warranty covers defects in workmanship for a period of 20 years on our Classic, PermaWall and Premium liners and 25 years on UltraMayd liners. Please visit plastimayd.com for full warranty details and Plastimayd pool liner care instructions.

EXTENDED ASSURANCE WARRANTY If within the first 3 years from the date of purchase a defect in workmanship has caused a seam seal to leak, Plastimayd will provide a replacement liner at no charge to the original purchaser/consumer. This 3 year extended warranty does not cover full dealer installation costs, liner removal or other related installation expenses.

Ask your dealer about our 3 Year Plus and 5 Year Extended Warranty options that provide expanded liner and installation coverage.

SAFETY FIRST Just as important as the craftsmanship of our liners is the safety of our pool owners and users. We always provide APSP (Associated Pool & Spa Professionals) packets with each purchase to ensure that our customers can enjoy their pool in the safest way possible.

- The manufacturer does not manufacture slides, diving boards or any other diving equipment. Any use of such equipment must be in strict compliance with the equipment manufacturer's specifications, The Association of Pool and Spa Professionals' (APSP) Standards, as well as local building codes and regulations.
- In some pictures, the safety line rope and floats, and safety signage have been removed from the pool for photographic purposes. The safety line should be permanently attached at all times. We also urge you to use handrails and grab rails in accordance with the APSP Standards.
- The manufacturer reserves the right to change colors and pattern selections. Consult your dealer for changes.
- Your dealer/builder/contractor is an independent business person and not an agent or employee of the manufacturer. We cannot and do not accept any responsibility for any representations, statements or contracts made, or any work or negligence by any dealer/builder/contractor.
- Pattern and solid colors may vary slightly from brochure, see samples for color and texture. Some patterns may show seams more than others - please consult your dealer.
- The reference to light, rich and deep blue tones is a generalization and not a guarantee of how a vinyl liner will accent the water color in your pool.
- For the PermaWall™ feature, match any 27 mil wall with any 20 mil floor, with same color vinyl base.
- Limited 90-Day Warranty for commercial use.

OPTIONS

Once you've narrowed down your pattern selections, consider if you would like to coordinate matching stairs and benches with our Posi-Trac™ line, which thickness of vinyl is best for you, and if now is the time to order your safety cover.

Ultra

ULTRAMAYD®

UltraMayd, is cutting edge technology that enhances vinyl performance, durability and longevity. This all 20 mil super material is infused with copolymer components that resist chemical deterioration, heat degradation and lasts up to 50% longer.

27

PREMIUM

A 27 mil wall and floor is our most heavy-duty liner configuration. A popular choice in climates with freeze and thaw cycles - or if you want the peace of mind to know that you've selected the best protection against the elements.

$\frac{27}{20}$

PERMAWALL™

PermaWall is the combination of a 27 mil wall with a 20 mil floor. This creative combo puts the strength of 27 mil where you need it most, providing both performance and affordability.

20

CLASSIC

Our classic all 20 mil liners are precision crafted from the same premium vinyl that is used throughout our high performance products. This lighter weight, highly durable product is an excellent choice while still meeting budget restrictions.

Posi

POSI-TRAC

Our POSI-TRAC materials are textured vinyl that provide additional traction to high traffic areas such as stairs, benches or sun ledges. Available in a variety of solid colors and printed patterns to match or compliment your personalized pool interior. Look for the POSI symbol.
